Product Designer

Creating a product design no more about an object. It's about experience. We generate a new opportunity for user to experience the brand, the emotion, the environment, the space and the ambiance. A strong commercial aspect pervaded user understanding in design and believe in good design to create a good product.

HORRA, the inviting collaboration zone that serves as a rejuvenate and recharging area. HORRA is specially tailored to be used without shoes, creating a cozy feel within the office space. The fine line of HORRA itself is a sculpture by its own to beautify the spaces. Mix and match the pieces and form various configurations within a space, creating a sense of belongingness among the neighborhood.
