

# RAMMA

Working at a WE Place!

# RAMMA, the crafted ambience.

RAMMA, a gracefully crafted collection inspired by the delicate beauty of butterfly. Ramma collection is being designed to mimic the life cycle of a butterfly from egg, larva (caterpillar), pupa (chrysalis) to adult (butterfly).

RAMMA brings a sense of aesthetic and crafted ambience into the space, forming a delicate inviting zone. Specially tailored to fit into various spaces such as library, café, collaboration area, in-between space, reception and also public area. Manifesting the office identity with the crafted ambience, RAMMA.

Creating a product design no more about an object. It's about experience. We generate a new opportunity for user to experience the brand, the emotion, the environment, the space and the ambiance. A strong commercial aspect pervaded user understanding in design and believe in good design to create a good product.
